Reviewing confirmation

To whom it may concern,

We are pleased to confirm that Mithila Arman has served as a reviewer, contributing to the rigorous review process of *Semi-Supervised Medical Image Captioning via Anatomical Collaborative Evidence Network* published on 26 May 2026 within the section Medical Imaging and Nuclear Medicine in Frontiers in Medicine.

Mithila Arman was selected for this role by peers based on their expertise in the field and has played an important role in our collaborative peer review process.

Please feel free to contact the editorial office at medicine@frontiersin.org for any further questions.

Best regards,

Gabriel Costello
Journal Manager
